GLENWOOD SYSTEMS LLC RELOCATES COMPANY HQ IN WATERBURY CT

August 17, 2011 – [Glenwood Systems LLC](#) is pleased to announce the relocation of the company headquarters to a new 3,600 sq ft space located at 100 Grand Street in Waterbury CT. Glenwood Systems develops electronic medical record (EMR) and practice management software for medical practices across the United States and offers billing services to improve medical practice finances.

“Glenwood Systems is growing and it was time to find more space for our technical, training and marketing teams as we expanded to meet the needs of our clients.” said Ron Flormann CCO Glenwood Systems LLC, “We were also sensitive to our Waterbury resident team members and wanted to stay in Waterbury, our home for the past 10 years. With the help of Waterbury Development Corp, The Waterbury Regional Chamber of Commerce, the Main Street Association and Giglio Commercial Real Estate we were able to find an ideal location in downtown Waterbury close to St. Mary’s Hospital.”

About Glenwood Systems LLC

Glenwood Systems LLC is a privately held Waterbury, CT company that develops software to help healthcare businesses manage patient information and maximize revenue opportunities.

Glenwood Systems LLC emphasizes product excellence, a high level of customer service and exceptional stakeholder value. Founded in 1998 and enjoying strong growth, with GlaceEMR, GlaceComplete assisted billing service and GlacePremium full billing service, Glenwood Systems is quickly becoming a leader in EMR, practice management and physician practice billing services. More information about Glenwood and the Glace family of products can be found at www.glenwoodsystems.com or contact [Ron Flormann](#).
